

# The Medical Aesthetic Center of Excellence

Grafton Dermatology & Cosmetic Surgery (985) 876-5000 to schedule an appointment

*At Grafton Dermatology and Cosmetic Surgery, we strive to bring you the most comprehensive and effective skincare consisting of medical facials, chemical peels and home care products. Our skin care regimens are effective for correcting the signs of aging, sun damage, uneven pigmentation and acne.*

## Colorescience Mineral Makeup

Finally, a makeup that is good for your skin. Colorescience an amazing breakthrough in natural color cosmetics. This mineral makeup line helps make the complexion look younger while it provides unsurpassed coverage and protection. Even those with highly sensitive skin can wear it safely. Great for covering dark circles, bruising, and redness often experienced post-surgery. It includes zinc and titanium dioxide which protects your skin from the harmful rays of the sun. (Completely free of oils, alcohol, talc, perfumes and dyes.)  
*Make up session: \$50.00*

This light physical or enzymatic exfoliation frees the skin of all surface debris. It is followed by a chemical application to remove dead skin cells within the pores and smooths skin texture. A moisturizer tailored to your needs finishes this relaxing treatment. Great for all skin types. Experience no down time and great results!  
*Approximate treatment time: 45-60 mins. \$80.00 each*  
*Package of 3 for \$210.00*

## The Micro Peel Plus:

An exceptional treatment designed to stimulate the skin's natural renewal process. An application of salicylic acid aids in sloughing off dead cells and debris on the surface of the skin, helps smooth fine lines and discoloration, while reducing the appearance of environmental damage to the skin. This peel is also great for acne.  
*Approximate treatment time: 30-45 mins. \$100.00*

## Micro Peel Plus Body:

After deep cleansing of the skin, salicylic acid is applied to thoroughly exfoliate the back and clear clogged pores. A nourishing moisturizer is massaged into the back and arms to finish this relaxing treatment. This can also be used to treat keratosis pilaris of the arms. Great for acne.  
*Approximate treatment time: 60 mins. Back....\$110.00*  
*With Upper Arms....\$120.00*

## Dermaplaning

This light physical exfoliation frees the skin of all dead cellular layers and facial hair. A moisturizer is then applied leaving a change in the skin texture that can be felt right away.  
*Approximate treatment time: 30 mins. \$40.00*

## Extractions

Extractions of blackheads, whiteheads & milia can be performed in addition with the micropeel and dermaplaning treatments.  
*Approximate treatment time: 30-60 mins. \$25.00 - \$50.00*  
*(An added 15 minutes to treatment time: \$25.00)*

## Silk Peel

Silk Peel Dermalinfusion simultaneously exfoliates the outer layer of the skin while delivering a liquid solution that effectively treats many skin conditions. The downtime is minimal and therefore normal activities may be resumed at once.  
*Approximate treatment time: 45-60 mins. \$150.00 per treatment Package of 5 for \$600.00*
